

The mission of the Association is to be an advocate for enlisted men and women of the United States Military Reserve Forces in support of National Security and Homeland Defense, with emphasis on the readiness, training, and quality of life issues affecting their welfare and that of their families and survivors. REAA will provide full representation of Reserve enlisted personnel before national, state and local legislatures, the Department of Defense, and military services leadership, and within the family of military associations to educate, inform, and promote the general welfare, readiness, and quality of life of the membership; lead in the advocacy of national policies that support enlisted men and women of the United States Military Reserve Forces; serve as an agency for the collection and dissemination of information to inform and educate members on issues affecting the Reserve Forces; and enhance the image of enlisted Reservists to promote greater recognition of the professional skill and performance demanded by their positions.
